

# VERGEL OCADO MACAYAN

## OBJECTIVES

Actively seeking opportunities to advance my career by securing a position where I can effectively utilize my strong organizational skills, educational background, and ability to work collaboratively with others. I am committed to contributing to team success through careful attention to detail and a continuous learning mindset. My goal is to support the growth and success of the company while developing my own skills in a positive and dynamic work environment. I am eager to expand my skill set to align with the company's specific needs and to work collaboratively with colleagues to achieve shared goals.
